DISCLOSURES

- **Successful Completion** – To receive nursing contact hours, participants must participate in all of the educational sessions, and complete the online evaluation. The link to the online evaluation will be emailed to participants (to the email address provided at registration) upon conclusion of the activity.
- **Contact Hours** – 4.25 contact hours available to those who meet the successful completion requirements.
VTL Center for Professional Development is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.
- **Relevant Financial Relationships** – Laurel Short serves as a consultant and is on the speakers bureau for Abbvie Inc. All relevant financial relationships for this individual have been mitigated. No other relevant financial relationships were identified for any members of the planning committee or presenter.
